Good morning,

Convoy participants are calling out surveillance vehicles like Grand Caravans without lights and a grey Durango in a parking lot. -- Just for your awareness and officer safety.

In addition, they are speaking about Doug Ford's arrival on Wednesday in Windsor at Chrysler/Stellantis building. Some are suggesting that they show up there to confront him.

Thank you,
Karen

Sir McDonell,

Well, another weekend gone my friend. We have had a busy weekend here in the Rose City.... We have the local OPP keeping us updated on any large contingent of trucks coming our way on the 401. Hello Supt

Thank have forwarded this to the IOC to assist.

FYI... I had C3 assign to investigators to start monitoring social media and Zella chat groups in Ottawa at approx 4hours ago... they were sharing the intelligence with Ottawa PS. I will ask the listen for anything related to the information of trucks heading to Windsor.

Good evening all, can you please review your reports and tap your contacts to help Supt. Jason CROWLEY (Windsor Police Service) determine the validity of information he's receiving of 100 trucks leaving Ottawa tonight headed his way. (This parallel to the Sarnia disruption earlier today)

Jason is copied so please direct your email to him with a cc to our group.

Jason, Supt. Pat MORRIS and A/Supt. Brian BARCLAY are with POIB and have the big, best picture. Wallace & Jeff are in the POU Planning cell in Ottawa. Supt. Craig ABRAMS is our man on the ground in Ottawa. Peter and Shaun, you know, have the Toronto picture having just caught their breath for a minute and starting to prepare for the next wave. Best group of ears and eyes we've got for this.

Stay well all... Here's hoping Jay we can add some clarity to this for you,

Mike

Sir McDonell,

Well, another weekend gone my friend. We have had a busy weekend here in the Rose City.... We have the local OPP keeping us updated on any large contingent of trucks coming our way on the 401. I just received information that we can expect at least 100 semi's heading our way from Ottawa tonight. If you receive any related info or any intel from anywhere up your way, please don't hesitate.

Thanks Mike, and have a great night.

Jay
